

HYDAC INTERNATIONAL

DFPF

Part no.: 1314073

Product description: DFPF BH/HC 110 Q B 20 BM 1.0

Characteristic	Value / Characteristic / Information
By-pass	no by-pass
Change-over	without change-over
Clogging indicator	visual with manual reset
Connection size	Special size
Connection type	Special connection
Filter material	Betamicon high press.
Filtration rating	20 µm
Pressure	315,0 bar
Product responsible	Filtration Technology
Sealing material	Perbunan
Size DF...P	110
Standard	without
Weitere Merkmale Filter	no further features

HYDAC INTERNATIONAL

DFPF

Part no.: 1315563

Product description: DFPF BH/HC 330 Q D 5 A 1.0

Characteristic	Value / Characteristic / Information
By-pass	no by-pass
Change-over	without change-over
Clogging indicator	without CI (plug screw)
Connection size	Special size
Connection type	Special connection
Filter material	Betamicon high press.
Filtration rating	5 µm
Pressure	315,0 bar
Product responsible	Filtration Technology
Sealing material	Perbunan
Size DF...P	330
Standard	without
Weitere Merkmale Filter	no further features
